EVALUATE YOUR 4 INITIAL DESIGN IDEAS

Analysing and Evaluating

Use the skills on this page to help you get the best marks for analysing and evaluating

WHAT

Use these 6 words to think of some questions you could ask about your brief

WHEN

WHERE

WHY

WHO

HOW

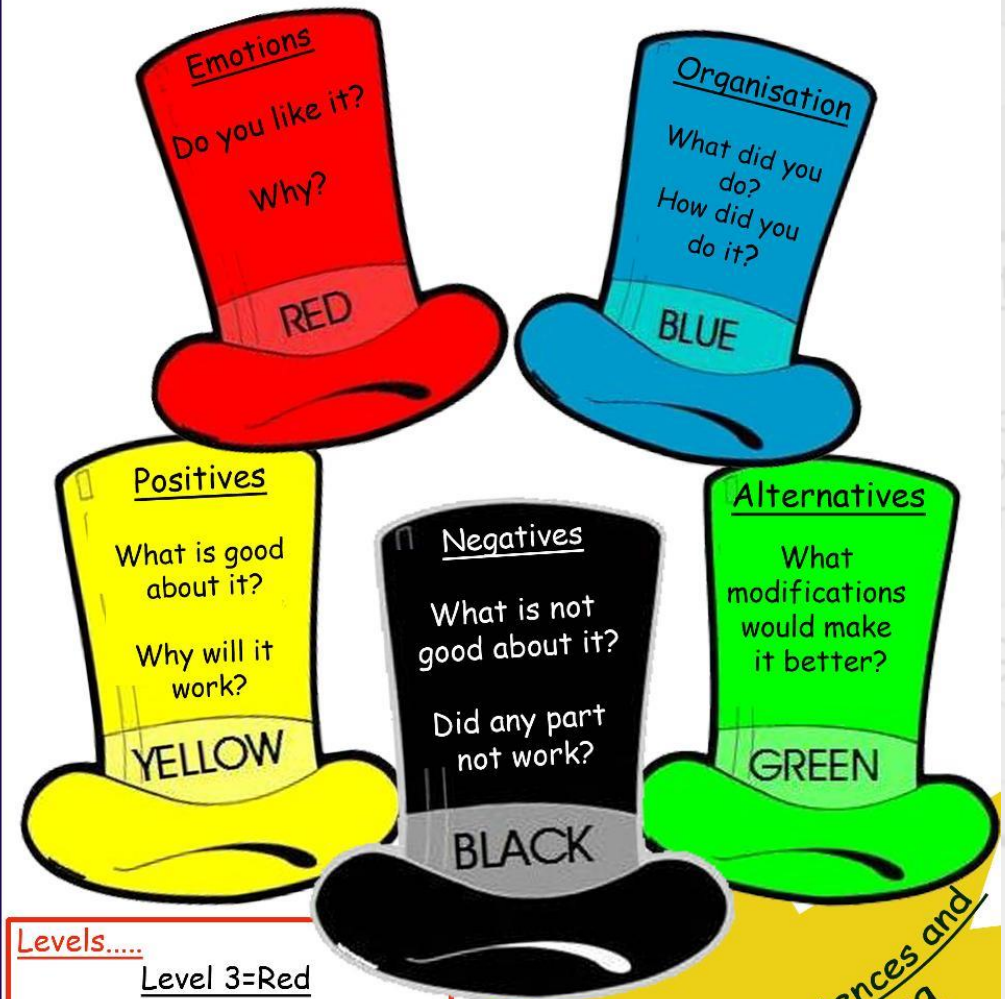

Consider your theme and existing products

Do you already know the answer to some questions?
Where would you go to research answers you don't know?

Now you think of some....

Some examples:
Who will buy the product?
Where will the product be sold?
How will I make the product?
What is my theme?

Levels....
Level 3=Red
Level 4= Red+Blue
Level 5= Yellow+Black
Level 6= Yellow+Black+Green

Remember use sentences and check your spelling
